

THE AUTUMN PROGRESSIVE SUPPER WILL BE HELD ON SATURDAY 28TH OCTOBER

You're invited to take part in our annual roving dinner party which is one of our most popular events going back over twenty years. This is a particularly good way to get to know your neighbours and catch up with ones you haven't seen for a while. We would very much like to welcome any new participants this time and by way of an introduction to this event we are inviting you along without the obligation of preparing a course. We would particularly like to involve our newly arrived residents.

To give the evening a sense of occasion we would prefer DJ's for the gentlemen and posh frocks for the ladies.

For those who may be wondering what this event is about it consists of several dinner parties all taking place simultaneously. You will host just one course (you are exempt from cooking if this is your first time taking part) of a three course meal, eating each of the other two courses at different places within Warren Wood. At the end of the evening everybody meets up at one house for a final party where coffee will be served with brandy and liqueurs.

We need a volunteer to host the party. (Party hosts could be exempt from providing a course but if this is not possible it will be the dessert course).

You will be informed at least a week prior to the event which course you will be responsible for and how many mystery guests (usually 4 but sometimes 6 persons), which makes with yourselves a party of 6 or at most 8 people. If you are vegetarian or have any allergies don't worry we can allow for this if you let us know when you return the booking form.

These suppers are very popular but they do take quite a lot of arranging, so we need to know numbers as soon as possible. In order to avoid disappointment would you please complete the form below and return it to me John Fowler at 4 The Briars by Sunday 8th October at the very latest.
